

ARCHITECTURAL REVIEW APPLICATION

This is a request form to be completed by the homeowner and submitted to the Architectural Review Committee (ARC) for approval BEFORE any work commences. Please refer to the Architectural Review Rules for a description of the ARC and its purpose.

For consideration by the ARC, a complete application **must** include the following:

1. This completed Application form
2. Homeowner Plot Plan (Site Survey) clearly marked up to indicate locations of proposed improvements and proximity to property lines and setbacks; and measurements, drawings, color photos and samples, and any and all information that will help the Committee to accurately determine the exterior appearance and location of the proposed improvement.

Please email the completed form with all required documentation to communication@optimumpm.com

Architectural Review Application

Property Address: _____

Name: _____ Email: _____

Name of Community: _____ Single Family ☐ Townhome ☐ Condo ☒

Date: _____

Please Select Project type:

☐

Exterior Paint:

Requires homeowner signature on paint color change form (Page 3). Please contact the HOA Management Office to check if there is an approved color book for your community. Please note that if you are re-painting your home in the existing colors you must still submit this application.

☐

Fence Requirements

The Association has the responsibility to approve the location, material, height and material of all fences. All fences must be installed inside the property boundary with the correct side of the fencing facing outwards. (Posts and supports on the interior of the fence side) Stay inside your property lines.

- If appropriate, please make sure that your next door neighbors give you permission to hook on to his/her fence.
- The posts and fence panels cannot be sloped on the corners or sides into easement.
- You cannot fill in area with dirt at the corners or sides of drainage easement.
- You need to go with the flow of the property and cannot change current drainage conditions.
- Installed with the post and supports on the inside of property.
- It will be the owner's responsibility to take care of any damage during removal or installation.
- It will be the owner's responsibility to replace or repair any damage.
- It will be the owner's responsibility to take care of the maintenance of their entire lot, together with the maintenance/care of both sides of the fence.

FOR CORNER LOTS ONLY: Please check with your specific County Permitting Office regarding the corner lot restrictions on setback lines for your community and/or your Community documents.

CITY OF GARDENA REQUIREMENT: All fence installations require a permit from the City of Gardena Planning Office **prior to** installation. Please visit their website at www.cityofgardena.org to obtain the permit application.

By signing this form I acknowledge that all guidelines approved must be followed and failure to comply will result in legal action. If all information is not provided as requested, the 30 days the Association has to respond to your request will be reset until the time that **ALL** information is provided. If the approved project is not completed within 90 days of your written approval, the Architectural application will have to be resubmitted for approval.

Owners Acknowledgements:

I understand:

- That no work on this request shall commence until I have received approval of the Architectural Control Committee (ACC);
- Any construction or alteration to the subject property prior to approval of the Architectural Control Committee is strictly prohibited. If I have commenced or completed any construction or alteration to the subject property and any part of this application is disapproved, I may be required to return the subject property to its original condition at MY OWN EXPENSE. If I refuse to do so and the HOA incurs any legal fees related to my construction and/or application, I will reimburse the HOA for all such legal expenses incurred.
- That any approval is contingent upon construction or alterations being completed in a neat and orderly manner;
- That there are architectural requirements covered by the Covenants and a board review process as established by the Board of Directors;
- All proposed improvements to the property must comply with city, county, state and local codes. I understand that applications for all required building permits are my responsibility. Nothing herein shall be construed as a waiver of modification of any codes. My signature indicates that these standards are met to the best of my knowledge.
- That any variation from the original application must be resubmitted for approval;
- That if approved, said alteration must be maintained per the Declaration of Covenants, Conditions and Restrictions for the HOA.
- This alteration will not detrimentally affect the proper drainage of any common areas or surrounding lots. I will be responsible at my expense to correct any drainage problems to such areas that may occur as a result of this work or alteration.
- *The Builder/Applicant acknowledges and agrees that the Committee and Association assume no liability resulting from the approval or disapproval of any plans submitted. The Committee and the Association assume no liability and make no representations regarding the adequacy or quality of any submitted plans or whether such plans comply with any or all governing authority requirements. The Committee's review, comments, and/or approvals do not relieve the Builder/Applicant of their responsibility and obligation to comply with the Master Declaration, Master Design Guidelines, or Subdivision Guidelines as applicable. The Builder/Applicant agrees to grant the Association accesses to property at any reasonable hour to inspect for compliance issues.*
- *It is the duty of the owner and the contractor employed by the owner to determine that the proposed improvement is structurally, mechanically and otherwise safe and that it is designed and constructed in compliance with applicable building codes, fire codes, other laws or regulations and sound practices. Your association, the ACC Committee and any employee or member thereof, shall not be liable in damages or otherwise because of the approval or non-approval of any improvement.*

I certify that the above information is an accurate representation of the proposed improvements and that the work will conform to applicable codes, covenants and standards. I also certify that the improvements will be completed in accordance with the approved application. I understand that construction is not to begin until approval has been received from the Architectural Control Committee. The Architectural Control Committee has permission to enter the property to make inspections, as they deem necessary.

Informational Addendum

REVIEW PROCESS – Your association's governing documents stipulate the amount of time the ACC may take to render a decision. However, the ACC will make every reasonable effort to expedite the review process. Applications will be reviewed during the timeframe for completeness and the ACC may request additional information to help clarify your proposal.

APPLICATION – The application must be accompanied with necessary documents, photos, drawings, brochures, and information necessary to present to the ACC. Property owners must sign the application. Contractor's signatures for property owners will not be accepted. **Modifications are not permitted to commence until the modification has been reviewed and approved by the ACC.**

NOTIFICATION - All owners will be notified in writing by mail (USPS) once the request has been approved or denied.

APPEALS – If your association allows appeals of an ACC Committee decision, requests must be based on the association documents and timeframes stated by the documents.
